PLEASE READ BEFORE SIGNING

Your child/children must be in a designated spot for pick-up. The A.G. Gaston Boys & Girls Club will not be responsible for non pick-up if your child/children are not in the designated pick-up spot. Children are required to wear their seatbelts at all times. The Boys & Girls Club will not be liable for any misfortunes while in route from your child's school to the Club.

Please advise the Club if your child/children is not attending school no later than 1:00 p.m.

Any inappropriate or disrespectful behavior to the driver, fellow members, or the public while riding will not be tolerated and may result in termination of your child's place.

A \$45.00 advance payment must accompany this form. \$40.00 is due for each additional sibling. If this service can't be provided because of routes and/or schedule, or disciplinary problems with your child, the money will be refunded.

Payment must be made on or before the first Friday of each month to continue service.

IMPORTANT NOTICE

Unless you notify the Club in writing of the date you wish to cancel the service, you will be billed each month. Again, this amount will be due on or before the first Friday of each month. If your payment becomes two months delinquent, pick-up service will be discontinued immediately.
